shows possible route to Post-16 opportunities for employment and independence

Learning environment
(up to Year 11)

Best practice pre Post-16:
- Careers Education, Information, Advice and Guidance (CEIAG)
- Vocational Profiling
- Experiences of the world of work
- Preparing for Adulthood focused EHCP Annual Reviews from Year 9

Post-16 Education and Training

Sixth Form (mainstream school, Special School or college)
(A Levels, BTECs, preparing for adulthood or life skills qualifications)

Further Education College
(Foundation learning, T Levels, Level 1-3 qualifications, vocational offer, some A Levels, Kings Trust)

Apprenticeship options

There may be alternative or individual circumstances where the typical Post-16 education pathways are not followed

Potential employment pathways whilst in education
- Work Experience & Volunteering
- Supported Internships
- Foundation or Accessible Apprenticeships

University

Day Opportunities
(Community-based services via Adult Social Care)

Employment Outcomes
- Supported Employment (could include Volunteering)
- Paid Employment
- Self Employment (Entrepreneurship)

Supporting organisations
- Department for Work & Pensions (Jobcentre Plus) (Disability Employment Advisors)
- ECC Youth Service (16-18 and Not in Education, Employment & Training)
- Adult Community Learning (ACL) (Courses for 19+ learners)
- National Careers Service (Careers Advice for young people aged 13+)

Eligibility and suitability of opportunities will vary by provider and individual needs

Please consider travel arrangements when exploring post-16 options
